

MSE Welcomes Clem DeMatto

VAN NUYS, CA - Micro Solutions Enterprises (MSE), the industry leader for Intelligently Re-Engineered™ cartridges, is pleased to announce a further addition to bolster the industries most experienced sales staff with the hiring of Clem DeMatto, in the position of Senior Account Executive. He brings 21 years of aftermarket imaging supplies business experience from multiple vantage points including retail and wholesale cartridge sales and raw materials manufacturing and distribution.

Clem's wealth of knowledge will mesh seamlessly with MSE's consultative sales approach, which offers its dealers the highest level of education and support in the market today.

Bob Tury, Senior Director of East Coast Sales and Distribution commented, "We are very excited about the addition of Clem DeMatto to our sales team here at MSE-PA, he brings with him a high level of professionalism along with 21 years of industry experience. It also reinforces as well as confirms MSE's long term commitment to our Industry."

DeMatto added, "In all my years in the industry and as a Regional Sales manager for Future Graphics I have seen multiple production facilities with advanced engineering. I can honestly say I have never seen anything that can even come close in comparison to the MSE production facility as far as technology and quality control. Both color and monochrome technologies are far ahead of the rest of the industry. I am very excited about the future of the industry and working for the most advanced company in it."

MSE is the largest USA based remanufacturer and is acclaimed as one of the leading edge innovators in the marketplace. MSE has pioneered the process of "Intelligent Re-Engineering" as applied to remanufactured printer consumables which is a protocol that employs patented technologies, proprietary processes, and stringent testing methodologies all with the goal of providing the market's best alternative to high cost OEM print consumables. MSE has multiple certifications and accreditations including ISO 9001 and 14001. Coupled with our engineering prowess MSE also prides itself on offering the highest levels of after sales support to its dealers through its consultative sales and marketing programs. MSE is a global entity with sales and distribution in Canada, Europe (UK and the Netherlands), Israel, Brazil, California, and Pennsylvania.
